Catering

We offer in-house coffee, tea and soda service at reasonable rates.

At Pulford, we believe in community. We have partnered with our friends at another Social Enterprise, Lunch Bell Bistro, to deliver you fresh, locally sourced food right to your next meeting. Had your own menu in mind? Chef Chris Tascona would be pleased to work with you to make your catering idea come to life.

Or, feel welcome to bring your own food in – just please remember that we are a strictly **peanut-free environment**. Please note that use of our kitchen is available, however a small cleaning fee will be considered for this option.
